01 WHO WE ARE

The Building Inspector for Your Roof

Roofing Auditors is an independent roof inspection company based in Roodepoort, Gauteng. We help property owners, buyers, insurers, body corporates, architects and businesses make confident, well-informed decisions about their roofs. Our only product is the honest truth about your roof, backed by deep technical expertise.

We never carry out repairs and never take referral fees. That single choice removes the conflict of interest built into most roofing inspections. When we say a repair is needed, you can trust that it genuinely is. When we say a roof is sound, you can believe it without a second thought.

02 WHY TRUST US

Qualified people. Independent findings.

✓ **Formally Qualified**

Every auditor holds formal qualifications in timber roof erecting and waterproofing.

✓ **Architecturally Trained**

Several team members also hold degrees in architecture —arare multidisciplinary depth.

✓ **Truly Independent**

No repairs. No referral fees. Advice shaped by your interests, not our next invoice.

ROOFING AUDITORS

03 OUR SERVICES

A service for every roofing question.

Each service is designed to answer a specific question and solve a specific problem.

The Dispute Audit

Flagship. Independent, evidence-based assessment of who's responsible when roofing work fails.
